POSTPONEMENT OF PUBLIC WORKSHOP

SALINITY ISSUES IN THE CENTRAL VALLEY

The public workshop on Salinity Issues in the Central Valley, originally scheduled for November 16, 2005 in Sacramento, has been postponed to at least January, 2006. The postponement is necessitated by insufficient time to address all urgent matters before the State Water Board at the November 16 meeting. When the workshop is rescheduled another announcement will be made, and the time period for submitting written comments will be reopened. In the meantime, any questions may be addressed to Wayne Verrill at wverrill@waterboards.ca.gov or (916) 341-5585.
